

GOVERNMENT SUPPORT

AI Work leading to the present invention was supported in part by National Institutes of Health grant AI 17021 awarded by the National Institute of Allergy and Infectious Diseases.

The United States government may have certain rights to this invention pursuant to the terms of that grant.

REMARKS

The specification has been amended solely to reference grant support received from the U.S. government. No new matter has been added to the application.

Respectfully submitted,

Mitchell Bernstein, Ph.D.
